## The Orbis Group continues to develop its hotel portfolio in Poland and will invest over PLN 40 million in Szczecin

### **ibis Styles Szczecin Stare Miasto to welcome first guests in 2020**

In line with its strategy, the Orbis Group develops the AccorHotels network in Poland and in Eastern Europe in cooperation with local partners. Orbis has concluded a contract for the construction of the ibis Styles Szczecin Stare Miasto hotel.

The new ibis Styles Szczecin Stare Miasto is to welcome first guests in 2020. This is a new investment in the green BREEAM certification. Construction works at ul. Panieńska 10 on Podzamcze will begin at the end of January 2019. In addition to 161 rooms, the hotel will offer the Winestone restaurant, WineBar, conference rooms, fitness area and underground parking.

*- This investment project, due to its location, was quite complicated and required many administrative arrangements, and the prolonged deadlines resulted from our attention to details and respecting the architecture of the oldest part of Szczecin. All the more we appreciate the patience shown by the inhabitants of Szczecin - explains Dariusz Gul, Construction Director in the Orbis Group.*

Szczecin is developing positively in terms of business, culture and tourism, and as the name of the hotel suggests, ibis Styles Szczecin Stare Miasto is located in the historical center of the city. The main theme of the interior will be the circus - this is the result of the competition, which was won by the Polish design studio DETAL from the Tri-City.

After the Novotel, ibis and ibis budget, ibis Styles will be the fourth address of the Orbis Group and AccorHotels in this city.
